PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 9th March 1874.

Read the following

From C. J. Knox Esquire,
Civil Service

To W. S. Whitwell Esquire,
Collector of North Bristol.

SIR,

I have been given to under-
stand by a demi-official from
the Accountant General's Office, that
I must take my furlough from the
15th Instant the date mentioned in the
Government Order granting it. In
my application for furlough I asked
for it from about the middle of
March being under the impression then
that an approximate date, was all
that

that was necessary to mention.

2. I have taken my passage in the P & O steamer "Prohwan" which is advertised to sail on the 31st instant and I have the honor to request that you will be good enough to apply for the sanction of Government, should it be necessary, for my postponing my departure until the sailing of that vessel.

3. My subsidiary leave dates from the 2^d instant, the day on which I gave over charge to Mr. Cunningham.
