*Proceedings of the Madras Government, Revenue Department,
8th July 1874.*

No. 58. Read the following Proceedings of the Board of Revenue, dated 25th June 1874, No. 1,567:—

Read the following letter from H. SEWELL, Esq., Acting Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Raman-drug, 18th May 1874, No. 147.

THE Inam attached to the service of the village head of Siddarazcherla, in the Anantapur Taluq, is acres 5, bearing an assessment of Rupees 12-8-0, of which acres 2-22-0 have been useless, as the tank under which they lie was breached in fasli 1271, and has not been restored as being unprofitable to Government. The rest of the land (acres 2-18-0) lies under a well now in ruins, and no wet crop can therefore be raised on it. The dry crop raised is worth only Rupees 1-8-0, as the soil is poor. There is no other land available in the village to be given in exchange. According to the scale of Sir Thomas Munro, the Reddy should have Rupees 20 for his service. The Acting Sub-Collector recommends an annual money-payment of Rupees 17-8-0 to the Reddy from the beriz of the village. I agree with him, and therefore have the honor to request the sanction of the Board for the same.

THE Board resolve to request Government to allow the proposed reduction from the beriz of the village and in
