Proceedings of the Madras Government, Revenue Department,
10th July 1874.

No. 80. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to D. F. CARMICHAEL, Esq., Secretary to Government, Revenue Department, dated Madras, 17th February 1874, No. 2,053:—

In G. O., No. 322, dated 15th March 1873, paragraph 4, the Government requested Major Beddome to report, in detail, the nature of the test he considered requisite in surveying and forestry for Forest Deputies in the 3rd and 4th class, and with this he has complied about nine months ago (I regret that owing to the letter-book for last year being in my head-quarters' office I am unable to quote exact date and number).

2. The senior officers in the 3rd-class grade are naturally anxious for orders on the subject, so that they may have time to qualify, if required, in order to be eligible for promotion on completion of three years' service in their present grade.

3. I have, therefore, the honor to request that the matter may have early consideration from Government.

4. On orders being passed, it would, I think, be advisable to group or codify them with the Vernacular tests already notified (G. O., No. 21, dated 9th January 1873), which will facilitate the preparation of a Forest Manual which must eventually be compiled and published.

No. 81. Order thereon, 10th July 1874, No. 861.

Forests, No. 1.

It does not appear that Lieut.-Colonel Beddome has ever submitted any definite proposals with reference to paragraph 4 of G. O., 15th March 1873, No. 322, Revenue Department. It has been ascertained that the letter to which Captain C. Walker refers is that recorded in G. O., 1st April 1874, No. 420, Revenue Department.

2. The Acting Inspector of Forests will now report his views on the question through the Board of Revenue.

3. It should be considered how far such test is required in the case of officers who have obtained the requisite instruction in England before appointment.

Acting Secretary to Government.
