) *Proceedings of the Madras Government, Revenue Department.*

10th July 1874.

No. 82. Read the following Proceedings of the Board of Revenue, dated 4th July 1874, No. 1,690:—

Read the following letter from W. AUSTIN, Esq., Acting Sub-Collector, to W. S. FOSTER, Esq., Acting Collector of the Godavery District, dated Rajahmundry, 19th June 1874, No. 236.

WITH reference to my letter, No. 142, of the 29th April last, I have the honor to inform you that the amount recommended by the Tahsildar of Rajahmundry, on account of the most needy of those unfortunate sufferers of Dowlaishwaram who lost their houses by fire, is Rupees 106 and not Rupees 53-10-8, as mentioned in my letter above referred to.

2. The discrepancy appears to have arisen from the way in which the sums asked for by the Tahsildar were entered in the remarks embodied in the statement submitted by him. One item in his report looked like Rupees 5-2-8 instead of Rupees 52-8-0, the amount asked for, for bamboos, as explained in his subsequent Arzi, and hence arose an error in calculating the total sum required. There is, therefore, a balance of Rupees 47-5-4 to be paid to him, which I request you will sanction at once without waiting for the previous sanction of Government, as it is urgently needed by the people.

3. I think the Government will make no objection to this further expenditure, as they have already agreed to afford relief to the really poor.

No. 194.

FORWARDED to the Board of Revenue with reference to their Proceedings of the 15th ultimo, Miscellaneous No. 3,233, with a request that they will obtain the sanction of Government.

2. In anticipation of the sanction of the Government, the additional amount, Rupees 47-5-4, now asked for has been placed at the disposal of the Sub-Collector.
