19th January 1874.

No. 166. Read the following letter from the Governor-General of Netherlands India, to His Excellency the Governor of Madras, dated Buitenzorg, 24th December 1873, No. 13 :—

I HAVE the honour to acknowledge your Excellency's letter, and offer my sincere thanks for the kindness with which your Excellency complied with my request for a supply of plants of the *Cinchona officinalis Bonplandiana var. Angustifolia*.

2. I am of your Excellency's opinion as to the manner in which these plants should be attended to on their voyage to Java.

3. As Mr. vanGorkom, the Director of the Cinchona Plantations, and Mr. Moens, the appointed Chemist, are, however, prevented at present from leaving their occupations for any length of time, I would suggest that your Excellency should delay in the meantime the despatch of the Cinchona plants until one of the above-named gentlemen can go to Madras, in order, at the same time, to make the acquaintance of the learned Manager of the plantations at Ootacamund, and to profit by his experience.

TRANSFERRED to the Chief Secretary to Government.
