Proceedings of the Madras Government, Revenue Department
17th July 1874.

No. 145. Read the following proceedings of the Board of Revenue, dated 30th June 1874, No. 1,638:—

Read the following letter from G. F. PEMAN, Esq., Collector of the Kistna District, to J. GROSSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 5th June 1874, No. 66.

I HAVE the honor to forward translations of complaints filed against me and three others in Original Suits Nos. 3 and 4 of 1874, on the file of the District Court at Nellore, by the Rajah of Venkatagiri and Rancee Seshamma, respectively.

2. The object of the suits is to set aside the decision of Mr. J. H. Wright, 1st Assistant Superintendent of Revenue Survey, in the matter of boundary disputes that existed between this and Nellore Districts, and to establish a right to, and to recover possession of, the lands which were annexed to the villages of this district by the said decision.

3. The complaints are nearly identical in each case, and the plaintiffs contend that a boundary was laid down by Mr. Preston, Head Surveyor, on the 4th January 1865; that they had been in possession of the lands in dispute until then; and that the decision of Mr. Wright is contrary to law and barred by limitation.

4. Mr. H. O. Cardozo, Deputy Superintendent of Revenue Survey, informs me that Mr. Preston had no authority to settle any disputes; that the disputes were pending for a long time; and that, as it was found impossible to settle them by arbitration, Mr. Wright was deputed by the Superintendent of Revenue Survey to decide them under Section 25, Act XXVIII of 1860.

5. Mr. Wright says he was guided by a permanent boundary-mark called the "Loddi pillar," which is entered in the pymaish accounts, in determining the line of boundary.

6. My map of the survey made in 1817 to 1819 shows that this piece of boundary was then a disputed one; it is, therefore, clear that there was no reliable evidence of the line of boundary to be obtained then, how much less is it to be expected now?

7. Mr. Wright's decision would have been fairer, as far as I can see, had the disputed territory been equally divided.

8. I would propose this to the Board, and request permission to compromise the suit on condition that each party is to bear his own costs. The date fixed for the hearing was 25th May 1874. Extension up to 27th July has been applied for.

9. The record (to be returned) connected with the case is enclosed.

SUBMITTED for the orders of Government.

2. The Collector of the Kistna District reports the institution, in the District Court of Nellore, of two suits in which plaintiffs sue to set aside decisions of Mr. Wright, 1st Assistant Superintendent, Revenue Survey, under Section 25, Act XXVIII of 1860, in regard to a boundary dispute of long standing between the Kistna District and Nellore.

3. In the first case the Rajah of Venkatagiri claims, as belonging to his estate, Acres 620 of hill, jungle, and arable land which the Survey Officer has assigned to the Government village of Murtujapuram; in the second case Rancee Seshamma claims as belonging to Mutlagangavaram, an Agraharam in the Nellore District, Acres 520 of hill, jungle, and arable land which have been assigned partly to Murtujapuram, a Government village, and partly to Tangevala, a Shrotriam village, both in the Kistna District.

*Proceedings of the Madras Government, Revenue Department,
17th July 1874.*

4. The extent of occupied land in both cases is trifling, and the occupation is recent.
5. In regard to these claims the Collector observes that the map of the survey made in the years 1817 to 1819 shows that the boundary was then a disputed one, and that no reliable evidence as to the correct boundary line can be obtained. Being, therefore, of opinion that the Settlement Officer should have divided the land equally between the parties, he suggests a compromise on condition that each party bears his own costs. The Board consider that the Collector has not shown sufficient reason for abandoning Mr. Wright's settlement, which seems to have been carefully made. They therefore recommend that the defence of the suits be sanctioned, and submit for approval draft answers.

II That the land claimed by plaintiff has not been in his possession or enjoyment as in the plaint alleged.

Sir,

I have the honor to forward translations of plaints filed against me and others in O.S. Nos 3 and 4 of 1874 on the file of the District Court at Kellore by the Rajah of Venkatagiri and Rani Seshamma respectively.

in each case, and the Plaintiffs contend
that a boundary was laid down by
Mr Preston, Head Surveyor, on the 4th
January 1865, that they had been in
possession of the lands in dispute un-
til then, and that the decision of
Mr Wright is contrary to law and

4. Mr H. O. Cardoso, Deputy

informs me that Mr Preston had no

and that, as it was found impossible

5. Mr Wright says he was guided

Submitted for the orders
of Government.

The Collector of the Kistna District reports the institution in the District Court of Nellore, of two suits

9/2/74
suits in which plaintiffs sue to set aside decisions of Mr. Wright, 1st Assistant Superintendent Revenue Survey under Section 25 Act 28 of 1860 in regard to a boundary dispute of long standing between the Kistna District and Nellore.

In the first case the Rajah of Tenkatagiri claims, as belonging to his estate, acres 620 of hill, jungle and arable land which the Survey office has assigned to the Government village of Murthyapuram. In the second case, Rani Seshamma claims, as belonging to Muttalaganga-
param, an Agraharam in the Nellore District, acres 520 of hill, jungle and arable land which have been assigned partly to Murthyapuram and partly

partly to Tanagerala a Shrotrien village,
both in the Kistna District.

The extent of occupied land in
both cases is trifling and the occupa-
tion is recent.

In regard to these claims, the
Collector observes that the map of
the Survey made in the years 1817 to
1819 shows that the boundary was
~~then as disputed one, and that no~~
reliable evidence as to the correct

boundary line can be obtained.

Being therefore of opinion that
the Settlement Officer should
have divided the land equally
between the parties, he suggests
a compromise on condition that
each party bears his own costs.

The Board considers that the
Collector

Collector has not shown sufficient
reason for abandoning Mr Wright's
Settlement which seems to have
been carefully made. They therefore
recommend that the defence of the
Suits be cautioned, and submit for
approval draft answers.
