*Proceedings of the Madras Government, Revenue Department,
23rd July 1874.*

Read the following :—

No. 153. Endorsement of the Secretary to Government, Public Works Department, dated 23rd June 1874.

Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 30th March 1874, No. 524.

With reference to the order of Government of the 15th of October 1873, No. 1,113, I have the honor to forward an estimate of Rs. 10,500, accompanied by plan, specification, and site-plan, for a new building for the Godavery District Press at Cocanada. The Collector, in his letter which accompanied the estimate, made no allusion to the remark of Government on the apparently excessive cost of the building. As the estimate had not been reduced, I returned the papers to the District Engineer, and he, in re-forwarding them, states that he does not think any reduction in cost can be effected.

No. 153A. Endorsement of the Inspecting Engineer for Civil and Military Buildings, dated 8th April 1874, No. 545.

Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Dowlaishweram, 31st March 1874, No. 3,953.

In continuation of my letter of the 21st instant, No. 3,808, I have the honor, in herewith forwarding a statement and copy of his letter received from the Collector showing the number of printing presses, types, etc., together with their value and the superficial quantity of space required, to observe that at the very least a space equal to that occupied by the furniture is necessary for working purposes, besides accommodation for storing papers. All this has been carefully considered, and therefore, I think, the proposed building for a Press Office does not afford more accommodation than is absolutely necessary.

Enclosure No. 1.—Statement.

FORWARDED to the Secretary to Government, Public Works Department, in continuation of letter, No. 524, dated 30th March 1874.

(Signed) E. A. FOORD, Colonel, R.E.,
Inspecting Engineer for Civil and Military Buildings.

TRANSFERRED to the Revenue Department, with reference to their No. 1,113 of 15th October 1873, with the remark that the superficial space provided in the plan submitted is, exclusive of verandah space, almost identical with that stated by the Collector to be necessary in his statement forwarded with District Engineer's letter, No. 3,953, of 31st March.

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government, P. W. D.

THE Supervisor of the Government Press will call upon the Superintendent to state whether, in his opinion, the small Press Establishment at Cocanada requires the extensive accommodation it is proposed to provide for it.

OOTACAMUND,
13th July 1874.

(Signed) C. G. MASTER,
Acting Secretary to Government.

*Proceedings of the Madras Government Revenue Department,
21st July 1874.*

No. 153B. Endorsement of the Acting Supervisor Government Press, dated 20th July 1874.
Read the following letter from E. KEYS, Esq., Superintendent, Government Press, to
L. A. CAMPBELL, Esq., Acting Supervisor, Government Press, Ootacamund, dated
Fort St. George, 17th July 1874, No. 1,090.

With reference to the endorsement on Revenue Currents, Nos. 2,034 and 2,035 (returned
herewith), respecting the accommodation requisite for the Press Establishment at Cocanada, I have
the honor to state that I am of opinion that so large an amount of space as is proposed is not neces-
sary, but that one room, twenty-five feet wide by ninety feet long, would be quite large enough.

FORWARDED to the Revenue Secretary to Government with reference to his endorsement
of the 13th instant on Revenue Currents Nos. 2,034 and 2,035.

(Signed) L. A. CAMPBELL,
Acting Supervisor, Government Press.

No. 154.

ORDER THEREON, 21st July 1874, No. 898.

Miscellaneous.

REFERRED to the Board of Revenue for
report.
