*Proceedings of the Madras Government, Judicial Department,
21st September 1874.*

No. 120. Read the following Proceedings of the Board of Revenue, dated 11th September 1874, No. 6289 (Miscellaneous).

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 10th August 1874, No. 1531:—

I have the honor to forward, for sanction, the enclosed plan and estimate, amounting to Rupees 990, for certain additions, sundry alterations, and repairs to the record-room and subsidiary jail attached to the Kundapur Taluq Cutcherry.

2. The estimate provides, firstly, for replacing the present badly-located and decayed shelves of the record-room by new ones to be properly ranged, renewing a portion of the rotten ceiling thereof, and erecting a masonry wall with an iron-barred door and window, in lieu of the existing wooden-barred sides, for better security of the records; secondly, for ceiling with planks two rooms of the sub-jail, which are at present unsafe for the custody of violent prisoners, and fixing firmly in masonry and fastening with iron bolts two doors thereof, which are now found to rock to and fro when force is used; and, thirdly, for renewing a portion of the northern roof of the Cutcherry, which is reported to be in danger of collapsing from decay of timber. The wood-work is also proposed to be tarred and painted with wood-oil for protection from white-ants.

3. This Cutcherry is a pretty old building, and the above alterations and repairs have been found to be very necessary both by the Public Works Department Range Officer and the Head Assistant Collector. I trust, therefore, that the requisite funds may be provided at an early opportunity.

Submitted for the sanction of Government.
