*Proceedings of the Madras Government, Revenue Department,
21st July 1874.*

Read the following :—

No. 159. Proceedings of the Board of Revenue, dated 29th May 1874, No. 1,303, Forest No. 75.

Read the following letter from Captain G. WALKER, Officiating Inspector of Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Octacumund, 2nd May 1874, No. 60.

I HAVE the honor to request that the Board will recommend to Government for sanction the entertainment of an Indexer or Registrar and one extra Peon in my Office here as a temporary arrangement, pending the revision of the District Establishments now under consideration, but which cannot be settled until the orders of Government on several of the Board's Proceedings now before them are promulgated.

2. My Head Clerk, since the transfer of the Draughtsman, I have only one, altogether is fully employed in copying and despatching letters, etc., and has no time for entering letters in the Received or Despatched Registers which I have opened since I took charge, still less to index the Board's Proceedings, etc., and so facilitate reference which is now very difficult. I have at present two Peons, which is sufficient when I am at head-quarters, but, when on circuit, at least one is required at the Office here and two with me.

There is, I believe, sanction for six, and at present only three are employed, viz., two with me and one with the Forest Assistant in charge of the accounts at Madras.

3. The Office will probably have to be entirely re-organized and strengthened as suggested by the Board in their Proceedings, No. 44-430, dated 13th April 1874, but for the present the temporary employment of the Registrar on Rupees 40 and one Peon on Rupees 8, with the usual batta when marching, will suffice, and enable me to get the records arranged and indexed.

SUBMITTED for the orders of Government with the Board's recommendation that the appointments be sanctioned temporarily, pending the revision of the establishments.

2. The charge can be met from general savings.

No. 159A. Proceedings of the Board of Revenue, dated 10th June 1874, Forest Miscellaneous No. 160/3,871.

Read the following letter from Captain G. WALKER, Officiating Inspector of Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Octacumund, 3rd June 1874, No. 134.

With reference to my letter, No. 60, dated 2nd May 1874, I have the honor to request that "two Peons on Rs. 8 each" may be substituted for "one Peon on Rs. 8," as I find I shall not be able to manage with less whilst on tour, having to provide at same time for the office here.

2. I shall feel obliged by early sanction enable me to organize my camp on or about the 15th instant at Comblator.

21st July 1874.

Submitted for the favorable consideration of Government.

2. The charge can be met from general savings.
