Proceedings of the Madras Government, Revenue Department, 22nd July 1874.

No. 181. Read the following Proceedings of the Board of Revenue, dated 15th July 1874, No. 1,820:—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 19th June 1874, No. 1,135:—

The roof of the building formerly occupied by the Head-Assistant Collector's Office, and now used by the Salt Deputy-Collector and the Deputy Conservator of Forests, for holding their offices at Mangalore, is so decayed, that the Officiating District Engineer considers it absolutely necessary to renew it entirely with new timber and machine-made tiles.

2. The building being an old one, the upper timber flooring, the staircase, etc. have also been found to be in need of repair.

3. I have therefore the honor to submit, herewith, for sanction, an estimate, *amounting to Rupees 1,065, for re-roofing the building with its portico, and executing the other necessary repairs.

*With plan and specification.

4. As the District Engineer states that he has no allotment at his disposal to meet this estimate, I request that the requisite funds may be provided when it is sanctioned.
