*Proceedings of the Madras Government, Revenue Department,
24th July 1874.*

No. 214. Read the following Proceedings of the Board of Revenue, dated 4th July 1874, No. 1,685:—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 4th June 1874, No. 45.

DR. SAYERS, the proprietor of Glencoe and Lower Stellenberg, applied to me for the grant of 50 acres of grass-land adjoining his property above named, and particularly described in the accompanying sketch. I referred the application to the Municipal Commissioners who requested me to procure the sanction of Government to make it over to them instead of Dr. Sayers, for the purpose of its being ornamentally planted, and for the supply of black metal for road-making. The land referred to is a very prominent spot, visible from the market and the north side of the lake, and it seems desirable to accede to the wishes of the Commissioners.

ENCLOSURE No. 1.—Sketch.

SUBMITTED for the orders of Government.

2. The Board think the land should be made over to the Municipality on their undertaking to plant it out in an ornamental way within some definite period, but Government should reserve the right to re-occupy the land whenever it may be needed for public purposes on payment of expenses actually incurred by the Municipality.

No. 215. ORDER THEREON, 24th July 1874, No. 929.

Miscellaneous.

The Governor in Council is of opinion that the land in question should be left as it is for the present.

Acting Secretary to Government.
