*Proceedings of the Madras Government, Revenue Department,
24th July 1874.*

No. 222. Read the following Proceedings of the Board of Revenue, dated 2th July 1874, No. 1,749:—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Palmanair, 1st June 1874, No. 293.

The Board are aware that the Government have, in their Proceedings, Revenue Department, dated 27th October 1870, No. 1,647, directed that Bada Saib Ghuttallah, the Darogah of the Mahomedan Orphan School at old Arcot, should be paid Rupees 1,212-14-9 on account of the arrears of the Yeomiah allowance due to

	Rs.	A.	P.	him from 1st January 1868 to 30th June 1870, and that a sum of Rupees 1,966-7-8 on the same account should be invested in Government Securities. This order of Government was carried out immediately on its receipt and the former amount was at once paid to the Darogah.
Darogah's pay from 1st January 1868 to 30th June 1870, at 20 Rupees per mensem...	600	0	0	
Pay of three Masters from do. to do., at 4 Rupees each per do. ...	360	0	0	
Expenses incurred by Darogah for feeding the boys ...	252	14	9	
Total ...	1,212	14	9	

The amount of Rupees 1,212-14-9 above referred to comprised the items noted in the margin.

2. The three Masters of the school lately complained to me that the Darogah had not paid them the arrears of pay, Rupees 360, due to them. This sum being included in the sum of Rupees 1,212-14-9 paid to the Darogah the Sub-Collector, acting under instructions from me, called on him to explain his conduct. He has admitted the appropriation of the money, and contends that the Government having withheld payment to him of a portion of the allowance due in arrears to him (apparently referring to the sum of Rupees 1,966-7-8 ordered by the Government to be invested in Government Securities) he is unable to pay the Teachers. The Sub-Collector has done his best to induce the Darogah to pay the Masters the money entrusted to him for disbursement to them, but he is so obstinate that all argument with him is unavailing.

3. I beg to inform the Board that a sum of Rupees 240 has accrued on account of interest on the Government Securities of 2,000 Rupees purchased under G. O., No. 1,647, of the 27th October 1870, from 1st November 1870 to 31st October 1873.

4. I propose that this sum of Rupees 240 be now paid to the three Masters in equal proportions, and that the pay of the Darogah, at the rate of 20 Rupees per mensem, be retrenched and first paid over to the Teachers until their arrears are finally paid up and then credited to the interest on Government Securities of Rupees 240 above referred to until such time as the amount is fully reimbursed. I have the honor to solicit the orders of Government for this arrangement.

5. I beg to add that the name of the present Darogah, Bada Saib Ghuttallah, alone is borne in the Yeomiah list as the recipient of a monthly allowance of Rupees 105-15-8 for the management of the school at Arcot. This sum includes the pay of the Masters and the feeding of the orphans.

*Proceedings of the Madras Government, Revenue Department,
24th July 1874.*

Submitted for the orders of Government, with the Board's recommendation that the plan suggested by the Collector at paragraph 4 be adopted.

2. The proposal involves the retrenchment of the Darogah's salary for eighteen months, but it is apparently intended to continue the payment of the Teacher's current salary through the Darogah, in which case he will probably recoup himself by withholding the payments due to the latter. The Board consider it advisable that in future the salaries of the Teachers should be paid to them direct through the Tahsildar and not through the medium of the Darogah.

3. With reference to the last paragraph of the Collector's letter the Board observe that the grant is not entered in the Yeomiah list as stated by him. The omission should be explained.

ORDER THEREON, 24th July 1874, No. 933.

Miscellaneous.

HIS EXCELLENCY the Governor in Council approves the recommendations contained in paragraphs 1 and 2 of the foregoing Proceedings.

2. The school should be placed under the inspection of the Educational Department if this has not been done already.
