*Proceedings of the Madras Government, Revenue Department,
25th July 1874.*

No. 229. Read the following Proceedings of the Board of Revenue, dated 9th July 1874, Miscellaneous No. 4,568:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 30th June 1874, No. 329.

In reply to the Board's Miscellaneous Proceedings, No. 2,554, of the 17th April last, I have the honor to submit a copy of the General Deputy-Collector Sri Bahiah's letter of the 12th instant, in which he asks for Rs. 1,753 for carrying out the settlement of the Chekkadi Jaghira.

2. The Board, I imagine, will think this claim rather high. The Deputy-Collector was engaged on the work from about the middle of August to the middle of December 1873, of which period nearly two months were taken up in writing his report. I consider that Rs. 500 would be a handsome acknowledgment of his services.

Submitted for the orders of Government.

3. The Board resolve to recommend Government to grant an honorarium of Rs. 500 to Sri Bahiah for his services in settling the Chekkadi Jaghira. This honorarium is by no means large considering the work that has been done, and it has been thoroughly well earned.

No. 230. ORDER THEREON, 25th July 1874, No. 936.

Miscellaneous

His Excellency the Governor in Council is not prepared to admit this claim for extra remuneration for work performed in the course of duty.

Acting Secretary to Government.

Edw. F. P. Gentleman.

intended asking for a special remuneration to myself as my sole object was to give satisfaction to my superiors and thereby procure a small promotion as a special recognition of my services. I could not of course ask the Board or Government to promise promotion and so left the matter to take its own course. Now that the question of money payment has been introduced I must have suggested for consideration whether in view of the heavy work done with no special extra the amount to be paid to me should not be more respectable than the proposed (as I imagine) double batta. Suppose I were appointed to act as Deputy Director for this special work I would have got allowances as below for the period I was actually engaged in

on the work including the period nearly 2 months. I took to draw up the report

Deputation allowance at 20 percent on Rs 700 from 23 July to 13 December 1873. Rs 659 - 0 - 8

Permanent Batta at Rs 6 per diem Rs 564 - 0 - 0

Extra Entolage at Rs 87 - 8 - 0 Rs 612 - 1 - 6

Total Rs 1235 - 7 - 2

Deduct Batta actually drawn Rs 182 - 0 - 0

Difference that would be payable is Rs 1053 - 7 - 2

This sum would be hardly 10 percent of the amount asked for the work by the Director of Revenue Settlement, Vide Board's Proceedings No 2270 dated 25 November 1873.
