Proceedings of the Madras Government, Revenue Department.
27th July 1874.

No. 239. Read the following letter from Captain W. F. PRIDEAUX, Her Majesty's Acting Political Agent and Consul-General, Zanzibar, to the Secretary to Government, Revenue Department, Ootacamund, dated Zanzibar, 2nd July 1874, No. 341:—

In reply to your letter, No. 575 (No. 117), dated 8th May 1874, I have the honor to state that Captain Elton is at present absent from Zanzibar, and I am unable to state whether it would be possible to obtain young plants of the "Mti (misprinted Nti) Sandarasi" or of the Caoutchouc climber, as these trees are principally to be found in a district which I have not visited. On his return, Captain Elton will no doubt be able to give me the required information, and, if it be practicable, I shall have much pleasure in meeting the wishes of the Madras Government.

P.S.—By the Natal Mail Steamer, which arrived this evening, I learn that Captain Elton will not return for three months; I shall, therefore, set on foot inquiries on the coast as to the practicability of obtaining the young plants or seeds.
