I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to submit a return of the number in hand, the annual average issue, and the balance or excess of stock in hand, of each kind of stamps over one year's issue. There is a large excess of stock in Bombay, and the information now required is to guide a transfer of some of that excess to the offices in Calcutta and Madras, and the possible cancellation of all unexecuted indents for the kinds that are greatly in excess. Accordingly a list of the quantities of stamps due on unexecuted indents is also requested.
