No. 257. Read the following Endorsement of the Secretary to Government, Public Works Department, dated 28th July 1874:—

Read the following letter from W. S. HARRINGTON, Esq., District Engineer, Malabar, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Nelumboor, 20th July 1874, No. 90.

With reference to my letter, No. 67, dated 22nd ultimo, forwarding a plan and estimate (Rs. 2,600) for the improvement of the salt gollah at Calicut, I have the honor to report that on the night of the 14th instant half of the north wing of the old salt gollah fell down; the building is a very old one, and requires to be repaired at once. The Supervisor in charge of the Calicut Range has been directed to take measures to prevent further destruction; I therefore solicit early sanction and provision of funds to the estimate under notice.

TRANSFERRED to the Revenue Department, with reference to the orders in that department, dated 11th July 1874, No. 866.
