Proceedings of the Madras Government, Revenue Department,
6th August 1874.

No. 53. Read the following Proceedings of the Board of Revenue, dated 29th July 1874, No. 2,004, (Forest No. 117):—

Read again Board's Proceedings, dated 15th June 1874, Forest, Miscellaneous No. 166-4,009.

Read also the following letter from Captain C. WALKER, Officiating Inspector of Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Coimbatore, 22nd June 1874, No. 169.

With reference to Board's Proceedings, No. 166-4,007, dated 15th instant, I have the honor to report that I have already submitted a recommendation to Government that Mr. Stanbrough should receive deputation allowance as Deputy Conservator of Forests whilst acting for Mr. Ferguson, provided that Mr. Hadfield, his senior, can also have an acting step during Colonel Beddome's absence. The matter is, I believe, under reference to Madras.

2. Should the Government approve, Mr. Stanbrough will draw deputation allowance on the *mean* pay of all Deputy Conservators, viz., at the rate of Rs. 90 per mensem as now drawn by Mr. Brougham and others.

3. I may state that my communication to Government was in reply to a demi-official reference from the Acting Secretary, Revenue Department, as to Mr. Ferguson's leave and his "*locum tenens*."

It appears that the Inspector of Forests had been directed by Government to report to them his views on the subject of paying deputation allowance to Mr. Stanbrough, and has done so.

2. The application from the Collector of Malabar, which forms the subject of the Board's Proceedings read above, must accordingly be submitted for the orders of Government; but the Board think all such reports by the Inspector of Forests should be submitted to Government through them. Any other course must lead to inconvenience.

No. 54. Order thereon, 6th August 1874, No. 937.

Forests, No. 5.

Recorded with reference to Government Orders, dated 15th May and 22nd July 1874, Nos. 595 and 915.

2. The course advocated by the Board at the conclusion of their Proceedings above recorded will, in future, be followed.
