Proceedings of the Madras Government, Revenue Department, 16th September 1874.

No. 160. Read the following Proceedings of the Board of Revenue, dated 2nd September 1874, No. 2,477 :—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Sydapet, 3rd July 1874, No. 377 :—

As directed in Board's Proceedings, No. 1,548, dated the 24th of June 1874, I have the honor to enclose a Statement, showing the estimated income of the Sydapet Farm's Estate, for the year ending 31st of March 1875. Our work being influenced so greatly by the weather, it is exceedingly difficult to estimate, with any degree of certainty, our probable income; but these estimates will, I trust, prove to be as nearly accurate as estimates of the kind usually are; when they were framed, I had before me the actuals for the first three months of the year, and I have made due allowance in them for the results which the present favorable weather may fairly be expected to produce.

2. With reference to paragraph 3 of the Proceedings now under reply, I would explain that the provision Rupees 1,900 entered to pay Mr. Schiffmayer's salary, provided for an increase of Rupees 50 per mensem during the last two months of the year, after he had completed his first year of service. The estimates submitted by me to the Board provided for the payment of the salaries of two peons, provision for the payment of one is made under "General Supervision," and, for the payment of the other under "Establishment," "Experimental Farm."
