Proceedings of the Madras Government, Revenue Department,
18th September 1874.

No. 171. Read the following Proceedings of the Board of Revenue, dated 1st September 1874, No. 2,462:—

Read the following letters:—

From A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 28th January 1874, No. 19.

I HAVE the honor to forward letter from my Deputy-Collector, Southern Division, requesting sanction for the exemption from assessment of field No. 361, three acres of which have been devoted to the site of a hospital at Erode.

2. The remaining two acres being utilised for building purposes, I am not aware whether exemption can be claimed thereon, nor am I aware that a bandy-pettah site can be freed from assessment.

3. The town of Erode is extending rapidly; the gramanuttam, with some small exception occupied by salt-makers, regarding which I have addressed Government in another communication, being all occupied, it was consequently necessary to buy land for a hospital site.

ENCLOSURE No. 1.

From A. MACGREGOR, Esq., Deputy-Collector, Southern Divn. to A. WEDDERBURN, Esq., Collector of Coimbatore, dated Erode, 22nd January 1874, No. 8.

FIELD No. 361, containing five acres of land, has been purchased by the Municipality for Rupees 500 for a site for the new hospital; three acres, however, being sufficient, I have marked out the remaining two acres into building sites and sold it.

2. I shall feel obliged if you will obtain sanction for exempting this land from assessment.

3. At the same time, I would request you to obtain sanction for exempting field No. 21, which has been purchased for a bandy-pettah.

4. There was no available waste land, so we have been obliged to purchase these fields.

5. In conclusion, I would request early instructions for taking up the "Oopilythultoo," which is at present a nuisance to the neighborhood, and the sums paid for building sites show the necessity of taking up this land for building purposes; besides which, there is no land suitable.

From A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 3rd August 1874, No. 180.

WITH reference to official memorandum, No. 105, of 30th January 1874, I have the honor to inform the Board that the Erode Municipality have applied for the exemption from assessment of the hospital site, the building sites, and the bandy-pettah. The extent and assessment of each is given below:—

	Acres.	Assessment. RS. A. P.
Hospital site, field No. 361	2·65	1 11 6
Building sites, do.	2·35	1 8 3
Bandy-pettah and latrine, field No. 21	1·24	0 6 2
Total ..	6·24	3 9 11

The owner of field No. 361 declined to sell part of the field. The entire field was, therefore, purchased; and after appropriating a part for the hospital site the rest was sold for building sites.

Proceedings of the Madras Government, Revenue Department,
18th September 1874.

THE Board resolve to recommend Government to exempt from assessment (Rs. 1-11-6 on acres 2·65) land occupied by the Municipality for a hospital site; but, with reference to G. O., dated 16th July 1874, No. 884, they cannot support the application for the exemption of the land occupied for building sites, a bandy-pettah, and a latrine.

No. 172. ORDER THEREON, 16th September 1874, No. 1,190.

Land Revenue, No. 9.

THE land occupied as a site for the hospital is exempted from assessment so long as the building is used as a hospital.
