Proceedings of the Madras Government, Revenue Department,
25th September 1874.

No. 222. Read the following Proceedings of the Board of Revenue, dated 21st August 1874, No. 2,338, Forest No. 138 :—

Read the following papers :—

Proceedings of the Madras Government, dated 15th July 1874, No. 122, Revenue Department.

ABSTRACT.—Communicating letter from Government of India relative to the auditing of the Forest Accounts by the Board of Revenue.

Proceedings of the Madras Government, dated 23rd July 1874, No. 917, Revenue Department.

ABSTRACT.—*Audit of Conservancy and Working Charge of the Forest Department.*—Forwarding to Board of Revenue, for their observations, letter from Accountant-General proposing that the — now done in the Board's Office be transferred, with the establishment, to his department.

THE Board are certainly of opinion that the audit of the forest working charges should remain with them as in the case of the Land-revenue, Salt, and Abkari contingent charges. The charges are not of a fixed character, and can, therefore, be only efficiently checked by the Office having the control of the administration of the department.

FOR ORDERS.

The question is whether there is a sum sufficient to outweigh the advantage acquired by the Govt. of India in the original transfer of Forest accounts to audit. The first step before the Board is to ascertain whether there is a sum sufficient to outweigh the advantage acquired by the Govt. of India in the original transfer of Forest accounts to audit. If not, then the Board are of opinion that the Forest accounts should remain with the Forest Department.
