Proceedings of the Madras Government, Revenue Department, 26th September 1874.

No. 237. Read the following Proceedings of the Board of Revenue, dated 9th September 1874, No. 2,539 :—

Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 20th June 1874, No. 2,378.

With reference to paragraph 2 of Proceedings of the Board of Revenue, No. 1,225, dated 23rd May 1874, I have the honor to state that Police guards of three men each would amply suffice to guard the small treasuries at Tuni, Pittapur, and Coringa. The cost of each guard will be Rs. 282, making a total cost of Rs. 846 for nine Constables.

Submitted for the orders of Government with a copy of the Board's Proceedings, dated 23rd May 1874, No. 1,225.

2. In his letter, dated 10th November 1873, No. 367, the Collector of Godavery reported that at the three division treasuries of Pittapur, Coringa, and Tuni there was no special Police guard, and as considerable sums were often kept in those treasuries, the Superintendent of Police considered it advisable to have a small guard specially for each of them.

3. The Collector was thereon requested to report whether arrangements could not be made for remitting the collections in those treasuries to the Huzur from time to time, and thus save the cost of a special guard at each of them.

4. In his reply to this call, recorded in the Board's Proceedings, dated 23rd May 1874, No. 1,225, the Collector reported that at Tuni a sum of Rs. 1,200 had always to be reserved for current expenses, and that at Coringa and Pittapur it would be highly inconvenient to make the remittance more than once in a month.

5. The Inspector-General of Police states that there should be a Police guard of three men at each of the stations, and that each guard will cost Rupees 282 a-year.

6. The Board agree with the Collector that a guard is necessary for each of the three treasuries, and accordingly recommend that sanction may be granted for their entertainment.

7. The Board believe that it will be possible to meet the cost (Rs. 846) for the current year from savings in the Police Budget.

No. 238. Order thereon, 26th September 1874, No. 1,223.

Miscellaneous.

Subject to orders in the Financial Department, the Government approve the employment of the proposed Police guards.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 23rd May 1874.

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 9th April 1874, No. 78 :—

WITH reference to the concluding paragraph of the Board's Proceedings, "Miscellaneous," No. 1,251, dated 23rd February last, I have the honour to annex, for information of the Board, a Statement showing the actual receipts and charges, and the amounts monthly remitted to the Huzur Treasury from each of the Divisions of Pittapur, Coringa, and Tuni for the last official year.

2. At the latter of these places a large sum of Rupees 1,200 should always be kept up to meet the necessary expenses, and the remaining collections in a month do not ordinarily reach the limit of Rupees 500.

3. At Pittapur and Coringa, monthly collections, exclusive of expenditure, will have to be remitted to the Huzur three or four times a month, and as each journey to the Huzur and back occupies at least three days, the Deputy Tahsildar and the Magistrates who have only two Peons allotted to them (one of whom has to accompany the remittances to the Huzur) will have only one Peon to attend to the duties of their offices as well as to guard their Cutcherry.

4. Under these circumstances, the adoption of the course of making several remittances in a month cannot but cause serious inconvenience to their public duties, and I am therefore inclined to recommend that the proposed Police guards for the three Divisions may be sanctioned for the safe custody of treasure, etc.

THE Division Treasuries at Pittapur, Coringa, and Tuni have at present no special guard. In each of the first two divisions the Constable on duty at the Police Station, which is in the same building as the Sub-Magistrate's office, furnishes a sentry for the Treasury, while at Tuni the Police Constable over the Sub-jail looks after it. The District Police Superintendent and the Collector consider that a small guard should be specially provided for each of the Treasuries.
