Proceedings of the Madras Government, Revenue Department,
29th September 1874.

No. 265. Read the following Proceedings of the Board of Revenue, dated 28th August 1874, No. 2,425, Forest No. 145 :—

Read again Board's Proceedings, dated 5th May 1874, No. 1,041, (Forest No. 59.)
" " " " 2nd July 1874, No. 1,667, (Forest No. 90.)

Read also the following letters :—

From Colonel H. R. MORGAN, Deputy Conservator of Forests, to A. WEDDERBURN, Esq., Collector and Conservator, Coimbatore, dated Ootacamund, 16th July 1874, No. 65-187.

In reply to your endorsement, No. 29, dated 10th July 1874, upon the Board's Proceedings, No. 90-1,667, dated 2nd idem, I have the honor to inform you that the Duffadars in my ranges are employed as Assistants to the Sub-Overseers who superintend the Sandalwood plantations under orders and instructions of the Overseers ; but, as the Bhowany Forest has only a small experimental plantation, the services of a Duffadar on Rupees 15 are unnecessary. I, therefore, proposed to have a Head Peon on Rupees 9 over the other three Peons at Rupees 7 each. I beg

- 1. Attani.
- 2. Nerinjapett.
- 3. Andiyur.
- 4. Bhowany.

to state that four Peons are necessarily required to be posted at the stations noted in the margin for the purpose of checking

the timber that passes with or without license. I am glad to observe that Captain Walker's scale provides this staff. The pay proposed by this functionary for a Duffadar may be devoted to the creation of two Peons, viz., one Peon on Rupees 7 for the Railway Fuel Depôt at Erode, and another on Rupees 8 in the jungles at Nerinjapett where the fuel-felling operations are conducted. There are at present no Peons at these places.

2. I venture to suggest that the saving of Rupees 2 shown by Captain Walker be, if not objectionable, added to the pay and fixed batta of the Gumastah, thus making a total of Rupees 30, and that he be designated Sub-Overseer like those of the other ranges under my charge in the Coimbatore District. This Sub-Overseer will, as usual, be as Assistant to the Overseer of the Bhowany Forest Sandalwood operations.

No. 171.

The establishment as proposed by Colonel Morgan would stand as follows :—

	Pay.	Travelling Allowance.	Total.
	RS.	RS.	RS.
1st-class Forester	100	30	130
3rd-class Forester	60	15	75

4 other Peons, at Rupees 7 each...	28	...	28

*Proceedings of the Madras Government, Revenue Department,
29th September 1874.*

The Collector concurs in this proposal, and begs to submit the same for the sanction of the Revenue Board and Government. The Duffadar on Rupees 15 in Captain Walker's scale seems an unnecessary expense, which would be better spent on additional Peons as now proposed.

COIMBATORE, (Signed) A. WEDDERBURN,
22nd July 1874. Collector.

From J. R. COCKERELL, Esq., Commissioner of Nilgiris, to J. GROSE, Esq.,
Secretary to the Board of Revenue, dated Ootacamund, 29th July 1874,
No. 14.

With reference to Proceedings of the Board, No. 59, dated 5th May 1874, No. 1,041, upon certain changes in the Mudumallai and Bhowany Forest Establishments, wherein the Board, approving of changes, call upon me to report fully on Colonel Morgan's proposal to abolish the post of Superintendent of Sawyers on the Mudumallai Establishment, remarking there must be some mistake in my having accorded sanction to the abolition, as I have no authority to do so, and that this is apparent from the Superintendent having drawn pay for March last, I have the honor to state that in February I received a letter from Colonel Morgan, of which enclosed is a copy, in which Colonel Morgan stated the post of Sawyer had been in abeyance for five or six years, and requested me to permit him to abolish the post from the strength of the Mudumallai Establishment.

2. From inadvertence I accepted Colonel Morgan's proposition, though, of course, had I reflected, I should have recognized the fact of which I was fully aware that I have no power to alter establishment.

3. The Superintendent did not draw pay for March, nor has pay been drawn for his office for several years.

ENCLOSURE No. 1.

From Colonel H. R. MORGAN, Deputy Conservator of Forests, to J. R. COCKERELL, Esq.,
Commissioner of Nilgiris, dated Ootacamund, 18th February 1874, No. 279-727.

The post of Superintendent of Sawyers, the salary of which is Rupees 8 per month, attached to the Mudumallai Forest Establishment, has been vacant for the last five or six years. Owing to the felling being limited consequent on our having a large stock in the Forest Depôts sufficient for some years' consumption, it is no longer required. I have the honor, therefore, to request you will be good enough to permit me to abolish the post from the strength of the aforesaid Forest Establishment. The savings are absolutely necessary to meet the decrease caused by the re-distribution of the establishment of the Bhowany Forest under the Collector of Coimbatore, to whom I have this day addressed on the subject, pending your compliance with the above request.

(True Copy.)

(Signed) J. R. COCKERELL,
Commissioner.

The Board resolve to request Government to sanction the changes in the Mudumallai and Bhowany Forest Establishments proposed by Colonel Morgan and approved by the Collector of Coimbatore, the Commissioner of the Nilgiris, and the Inspector of Forests.

*Proceedings of the Madras Government, Revenue Department,
29th September 1874.*

2. The change in the Mudumallai Establishment is to be only nominal. It is the abolition of the Superintendent of Sawyers,—a post with a salary of Rupees 8 a-month, which has not been filled for seven years. By mistake the Commissioner of the Nilgiris sanctioned its formal abolition last February; but, as he had no authority to do so, Government are now requested to sanction it.

3. The change in the Bhowany Establishment involves an increase of Rs. 8 which is met by the reduction in the Mudumallai Establishment. The present and proposed establishments are shown in the following statement:—

FOREST No. 59.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th May 1874, No. 1,041.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 27th February 1874, No. 43:—

I HAVE the honour to forward an extract of a letter addressed to me by Colonel Morgan, Deputy Conservator of Bhowany, etc., Forests, with my recommendation that the change therein proposed may receive the early sanction of the Revenue Board. The proposal only involves an increase of Rupees 8 per mensem over the regular establishment of the Bhowany forest; such increase, however, being met by savings effected in the establishment of the Mudumallay forest there can be no objection to the adoption of the revised scale of salaries proposed in the establishment of the Bhowany forest.

2. Colonel Morgan proposes to employ Appavoo Moodelly, at present 1st Class Overseer, on the Annamallays (but who is reported as not suitable for that post) as Floating Overseer on Rupees 80 plus 20 travelling allowance, in lieu of the present incumbent who has absented himself without leave and forfeited his post. Under this arrangement Mr. Taylor might hold fast at Collegal, and the vacancy

of 1st Class Overseer at Annamallay will be open to any European Overseer deserving promotion, rendering the exchange contemplated in the correspondence noted in the margin unnecessary.

ENCLOSURE No. 1.

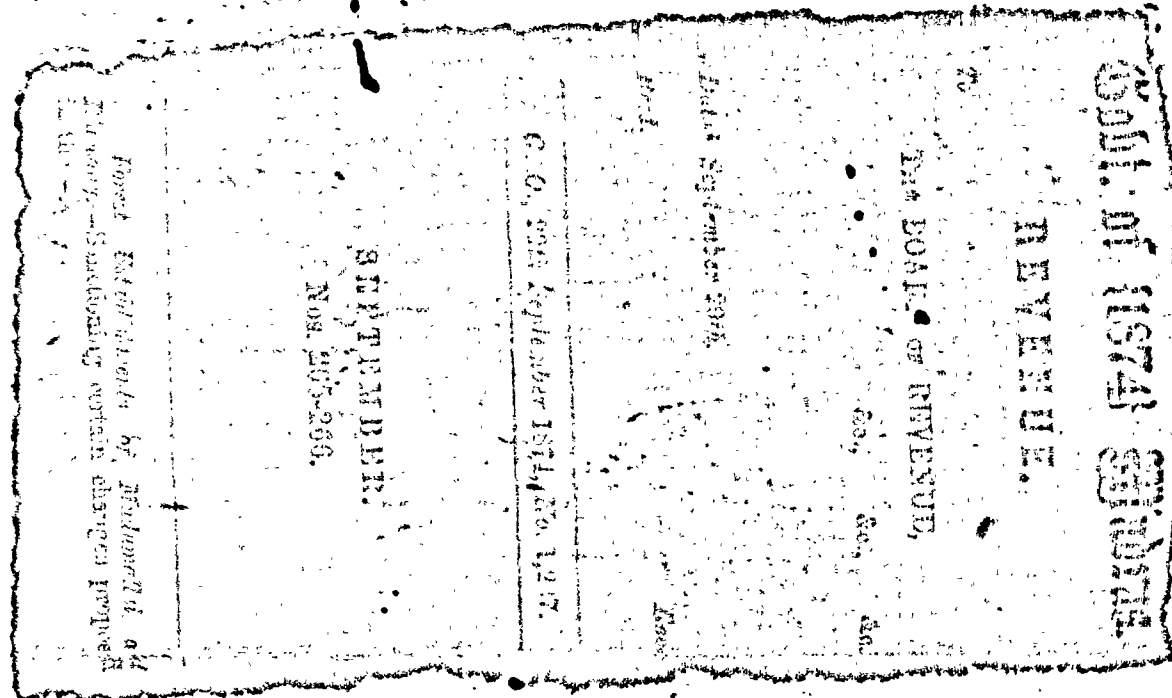

Extract of a letter from the Deputy Conservator of Forests, Ootacamund, to the Collector of Coimbatore, No. 273-726, of 18th February 1874.

Paragraph 5. I propose that Overseer Appavoo Moodelly, now attached to the Annamallays, be appointed Floating Overseer on the pay of Rupees 80 until a vacancy in the 1st Class Overseers occurs, and conduct the duties thereof himself, and that Overseer Grant be released from supervising the Floating Overseer, whereby he is not entitled to the additional travelling allowance of Rupees 30 per month paid hitherto for the above purpose, as will be seen from the accompanying copy of G. O., No. 536, dated 23rd March 1871.

6. I have had immense trouble with my Floating Overseers, and I am therefore anxious that a really good man like Appavoo Moodelly should be appointed.

7. The present establishment of the Bhowany Range is as below. I propose the revised establishment, as the floating operations are very important and require the undivided attention of an Overseer and an Assistant or Sub-Overseer. The Overseer chiefly remains at Narrinajpett to undertake felling and floating operations, and the Assistant or Sub-Overseer remains at Erode to receive the wood, hand it over to the Railway, supervise the sawing up of the wood, and the carting operations:—

Present Scale.		Proposed Scale.	
	RS.		RS.
1 1st Class Overseer	100	1 1st Class Overseer in charge of Sandal-wood operations	100
1 Double Horse allowance of Overseer.	60	Do. Fixed travelling allowance	30
1 2nd Class Overseer	80	1 2nd Class Overseer in charge of floating operations	80
1 Gumastah	20	Do. Fixed travelling allowance	20
Do. Fixed travelling batta	8	1 Assistant or Sub-Overseer to do.	30
1 Duffadar	15	1 Gumastah	20
3 Peons at 7 Rupees each	21	Do. Fixed travelling batta	8
1 Do. at 6 do.	6	1 Head Peon	9
	310	3 Peons at 7 Rupees each	21
Savings from the Mudumallay Forest Establishment	8	Total	318
Total	318		

8. The proposed establishment is absolutely necessary, and will suffice to conduct the sandalwood and the Railway fuel operations satisfactorily.

9. The permission of the Commissioner of Neilgherries for the abolition of the post of Superintendent of Sawyers on the Mudumal Forest establishment has been this day applied for.

(True Extract.)

(Signed) A. WEDDERBURN,
Collector

THE Board observe that Appayoo Moodelly now draws Rupees 100, and he cannot therefore without injustice be appointed as Floating Overseer on Rupees 80. Moreover, there is no necessity for such a transfer since he can return to his original appointment at Collegal under the arrangements sanctioned in the Board's Proceedings, dated 20th March 1874, No. 643.

2. With regard to the other changes proposed in the establishment of the Bhowany Forest the Officiating Inspector of Forests will be requested to favour the Board with his views.

FOREST No. 90.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd July 1874, No. 1,667.

Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 22nd May 1874, No. 103 :-

I HAVE the honour, with reference to Board's Proceedings, Forest No. 59, dated 5th instant, to inform the Board that 1st Class Forester Appayoo Moodelly had already been provided for, reverting to his old appointment at Collegal on Mr. Taylor's transfer to Tinnevely, as authorized in Board's Proceedings, No. 20-579, dated 28th January 1874.

2. I approve of Colonel Morgan's proposals to discontinue the double horse allowance to Mr. Grant, and re-distribute the establishment in the Bhowany Range with the following modifications :-

3. Colonel Morgan proposes a 2nd Class Overseer on 80+20; the fixed pay of the grade (2nd Class Forester) is 80+30, but I consider that the pay of the 3rd Class grade 60+15 would be ample, for the present at least, and in this Colonel Morgan concurs.

The Assistant Overseer should be graded as a Sub-Forester, 3rd Class, and receive Rupees 30+10 travelling allowance, which is the pay of that grade.

This arrangement would admit if the services of the Duffadar and four Peons hitherto serving being retained, or of such other arrangements or augmentation of the subordinate Establishment as Colonel Morgan may deem advisable. I annex a Statement showing Colonel Morgan's proposed scale in comparison with my modifications.

4. From Board's Proceedings, Forest Miscellaneous 136-3,211, dated 13th May 1874, I observe that the Commissioner of the Nilgiris has accorded sanction for the abolition of the post of Superintendent of Sawyers, Moodumal, but I am not aware under what authority he acted, and venture to point out to the Board that the abolition of any post in the fixed or permanent Forest Establishments, (Imperial) requires the sanction of Government, and that proposals on such subjects should, I think, be submitted to the Board through the Inspector of Forests.

Bhowany Forest Establishment - in Coimbatore District. - Opinion of Inspector of Forests requested on certain changes proposed by Collector in communication with Deputy Conservator of Forests, Mr. Morgan, in proposed appointment of Overseer Appayoo Moodelly, now attached to Annamalai as Floating Overseer, objected to.

In 5029 of 1874 No. 1237
In B. 1. 1. 265

The Board approve of the modified scale of establishment proposed by the Inspector. Before submitting it for the sanction of Government, however, they resolve to request the Collector of Coimbatore to state if any alteration is required in the last two items (Duffadar Rupees 15 4 Peons Rupees 28) and the Commissioner of the Nilgiris to report fully as to Colonel Morgan's proposal to abolish the post of Superintendent of Sawyers on the Moodumallay Forest establishment. There must be some mistake in the Commissioner's statement made in February to Colonel Morgan, that he "accorded sanction" to the abolition, for he has no authority to do so. Moreover the Superintendent drew pay for March.

From Colonel H. R. MORGAN, Deputy Conservator of Forests, to A. WEDDERBURN, Esq., Collector and Conservator, Coimbatore, dated Ootacamund, 16th July 1874, No. 65-187.

In reply to your endorsement, No. 29, dated 16th July 1874, upon the Board's Proceedings, No. 90-1,667, dated 2nd idem, I have the honor to inform you that the Duffadars in my ranges are employed As assistants to the Sub-Overseers who superintend the sandalwood plantations under orders and instructions of the overseers; but, as the Bhowany Forest has only a small experimental plantation, the services of a Duffadar on Rupees 15 are unnecessary. to state that four Peons are necessarily required to be posted at the stations noted in the margin for the purpose of checking

There are at present no Peons at these places.

2. I venture to suggest that the saving of Rupees 2 shown by Captain Walker be, if not objectionable, added to the pay and fixed batta of the Gumastah, thus making a total of Rupees 30, and that he be designated Sub-Overseer like those of the other ranges under my charge in the Coimbatore District. This Sub-Overseer will, as usual, be as Assistant to the Overseer of the Bhowany Forest Sandalwood operations.

No. 171.

The establishment as proposed by Colonel Morgan would stand as follows:—

The Collector concurs in this proposal, and begs to submit the same for the sanction of the Revenue Board and Government. The Duffadar on Rupees 15 in Captain Walker's scale seems an unnecessary expense, which would be better spent on additional Peons as now proposed.
