Proceedings of the Madras Government, Revenue Department,
29th September 1874.

No. 273. Read the following Proceedings of the Board of Revenue, dated 16th September 1874, No. 2,652 :—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to C. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, August 1874, No. 1,719.

I UNDERSTAND that Mr. King is to be deputed to Malabar to look for gold. There is gold in South Canara also as reported by me in 1867 (Board's Proceedings, 30th September 1867, No. 6,255, and 13th June 1868, No. 4,396), and there is auriferous quartz at Karkal and probably in other places if looked for. The practical question is whether or not its presence is in quantity sufficient to remunerate working.

2. On the Subramani hill there is corundum, which is, I believe, indicative, and near Kempullah, perhaps beyond, perhaps within our disputed Mysore boundary, there are garnets.

3. I have the honor to suggest that the opportunity of Mr. King's visit to Malabar be availed of for explorations in South Canara.

SUBMITTED for the orders of Government.
