Proceedings of the Madras Government, Revenue Department, 30th September 1874.

No. 279. Read the following Endorsement of the Secretary to Government, Public Works Department, dated Ootacamund, 28th September 1874.

Read the following letters:—

From G. S. SAGE, Esq., District Engineer, South Arcot, to the Chief Engineer, Department Public Works, dated Oolundoorput, 13th August 1874, No. 100.

I HAVE the honor to forward an estimate for thoroughly repairing and ventilating the range of buildings occupied as Huzur cutcherry, *etc.*, by the Collector, and in so doing to point out that the amount, though large, is absolutely necessary, as the buildings, which were formerly Cadets' quarters, are greatly in want of repair, *etc.*, to make them fairly habitable.

1 Detailed and abstract estimate.
1 Ventilation estimate and plan.
1 Specification.
1 Copy of Collector's letter, No. 199, of 6th August 1874.

2. An estimate, *etc.*, for a new cutcherry has been called for, and will be sent up as soon as possible; but as I have only one draughtsman, who is fearfully slow, I am unable to say when it is likely to be ready; in fact, from want of another draughtsman work in my Office is accumulating to a large extent.

3. I have the honor to enclose copy of a letter from the Collector on the subject.

From the same officer, dated Virdachellum, 14th September 1874, No. 134.

[illegible] reference [illegible] 6th [illegible] the honor to submit a plan [illegible], *etc.*, proposed to be erected for the Huzur cutcherry.

2. I take, also, the opportunity to inform you that, at the request of the Collector, Rs. 168-9-1 have been spent on emergency on the repairs to that part of the building occupied by Assistant Collector near the treasury, which was in a very bad state, and this sum is also included in the estimate now before you.

1 Plan.

I

TRANSFERRED to the Revenue Department for disposal, with remark that an outlay of upwards of Rs. 5,000 on a building valued at Rs. 10,000 is not advisable if a new building is likely to be sanctioned, and with suggestion that possibly some of the old work might be utilised in building a new cutcherry.

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government, P.W.D.

No. 280. ORDER THEREON, 30th September 1874, No. 1,244.

Miscellaneous.

REFERRED to the Board of Revenue for report.
