Proceedings of the Madras Government, Revenue Department, 30th September 1874.

Read again Postmaster-General's letter, dated 8th July 1874, No. 4,034/1,097, recorded in the Proceedings of Government, dated 13th July 1874, No. 875.

No. 283. Read also the following Proceedings of the Board of Revenue, dated 16th September 1874, No. 2,642 :—

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 24th August 1874, No. 201.

I HAVE the honor, as directed in Board's Proceedings of the 7th instant, No. 2,134, to forward a Postal Map of the district.

2. I consider that the requirements are fairly met. The only point in that respect I deem worthy of notice here is that if the Supreme Government sanction the re-establishment of the Special Assistant's Office at Malliapuram, Walluvanad should be reserved through Malliapuram instead of through Puttamby, so as to place the Special Assistant in direct connection with that taluq. No extra expense will be caused.

3. Otherwise all the Sub-Magistrates are placed in communication with their divisional officers by means of the existing arrangements.

4. A memorandum showing the distribution of the grant is enclosed.

5. I anticipate great advantage in the district post being assumed by the Postmaster-General.

6. In the first place, he can command much better agency by the same pay owing to the openings for promotion.

7. In the second place, his supervision must be necessarily much closer, constituting, as it does, the main business of a highly trained and centralised department.

8. Freed from the work connected with the district post, the Revenue authorities will have more time to attend to the Amshom post, the thorough efficiency of which is essential to the full development of the postal service in the country.
