No. 27. Read the following Proceedings of the Board of Revenue, dated 23rd September 1874, No. 2,736 :—

Read the following letter from C. SEVASANKARA MOODELLY, Offg. Addl. Depy.-Collector on General Duties, Arealore, to J. B. PENNINGTON, Esq., Acting Collector of Trichinopoly, dated Samaiyapuram, 25th May 1874, No. 281.

With reference to your predecessor's Official Memorandum, No. 578, dated 31st March last, I have the honor to submit the following report.

2. The first application on record that the Superintendent of Police made to the Tahsildar (since retired) for the site selected for the Arambavur Police station house was on the 28th October 1872, although from its terms it would appear that the Superintendent had, in company with the Tahsildar, inspected the place before. The Tahsildar submitted his reply on the 2nd November to say that the owner of the site was absent from the village and that on his return, if he did not consent to give up the land, proceedings would be taken under the Act and the result reported.

3. The Tahsildar, being again addressed on the subject by the Police Inspector on the 26th November, wrote to him on the 30th November, informing him that he (Tahsildar) had summoned the parties but that they were reported to be absent at Trichinopoly, and that as soon as they returned their consent would be

4. The present Tahsildar, who took charge of the office on the 16th December, made the necessary inquiries and sent a final reply to the Inspector of Police on the 20th December, intimating the consent of the parties to give up the land.

5. The Superintendent may have selected the spot on the 18th August as stated in his letter, No. 67, of 9th February 1874, to the Inspector-General of Police, embodied in G. O., No. 519, dated 27th idem, but no formal application appears to have been made to the Tahsildar till 28th October.

6. Thus you will be pleased to observe that there was no delay on the part of the Tahsildar in securing the site.

7. Copies of the correspondence between the Tahsildar and the Police Department, as also the Tahsildar's last Arzi, No. 254, on the subject, are enclosed for your information.

2. An estimate of Rupees 420 was sanctioned for a sub-station house in July 1872. Only Rupees 290 had been spent by the end of the year, and Government asked for an explanation of the delay.

3. The Assistant Engineer reported that the land was not handed over to him by the Police till the end of December.

4. The Superintendent of Police reported that he selected the land on the 18th of August, and that the Tahsildar was frequently reminded of the subject.

5. The Collector now reports that, though the Superintendent of Police may have selected the site on the 18th August, he did not apply to the Tahsildar for it till the 28th October.
