Proceedings of the Madras Government, Revenue Department, 6th October 1874.

No. 51. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 16th September 1874, No. 311:—

I HAVE the honor to report that the Accountant-General has retrenched Rs. 100 from my last salary bill, being at the rate of Rs. 20 per mensem since April 1874, and his reason[illegible] stated in [illegible]

2. I would submit that the receipt of a personal allowance, as authorised in G. O., No. 957, dated 31st July 1874, does not preclude my drawing the full deputation allowance on the mean pay of the office of Inspector of Forests, and that the orders of the Government of India with regard to the Forest Department under their immediate orders have no bearing on the department and its officers in this Presidency.

3. If they have, then I am entitled to draw Rs. 1,000, the minimum pay of the appointment, from the date on which I took charge, whereas for February and March I only drew at the rate of Rs. 920 (*viz.*, Rs. 700 pay and Rs. 220 deputation allowance); and if the orders as regards the minimum apply, so would also those regarding the maximum, which is Rs. 1,600, for Conservators under the Government of India.

4. I beg that the Government will give the matter consideration and issue such orders as they may think fit to secure me the maximum deputation allowance to which I may be entitled from the date on which I assumed charge.

ENCLOSURE No. 1.

You were allowed acting allowance on the mean, or on Rs. 1,100, *viz.*, Rs. 220, so long as you were in receipt of Rs. 700 a-month, but the moment your pay was raised to Rs. 800, the acting allowance was reduced by Rs. 20, as you cannot draw more than the minimum pay of the appointment you are acting in, *i.e.*, more than you would receive were you made permanent in the higher appointment.
