No. 213.

From
The Inám Commissioner

To
The Secretary to Government,
Revenue Department

Sir,

I have the honor to request the sanction of Government for the refund of Rs. 77-2-9 due to the heirs of one Godalapu Chinnuga under the following circumstances. The Inám village of Raghunáyakulu-dinne, in the Taluq of Palmanair of the North West District, which appears to have been originally granted for Police (Talayari) service, was enfranchised at half assessment by the late Inám Commissioner Mr. W. J. Blair and the

Title

Title Deed was sent to the Collector for delivery to the Inamdar on the introduction of the new Police System under which it was supposed that his services as Talari would no longer be required.

On the receipt of the Title Deed Mr. Robinson, the then Collector of the District, having objected to the discontinuance of service of this class of Inams, the document was recalled and cancelled and a fresh one was issued reserving the usual service from the Inamdar.

A quitrent of Rs 77-2-9 appears however to have been collected by the Local authorities according to the terms of the original Title Deed for Faslies 1275 & 1276 which it is now necessary to refund to the parties

parties concerned.

The original letter of the Collector of North Arcot on the subject is enclosed herewith.

I have the honor to be
