Proceedings of the Madras Government, Revenue Department, 13th October 1874.

No. 144. Proceedings of the Board of Revenue, dated 5th October 1874, No. 2,891.

Read the following letter from W. E. WRIGHT, Esq., Acting Superintendent of Stamps, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 23rd September 1874, No. 1,281.

WITH reference to the Proceedings of the Board of Revenue, dated the 8th instant, No. 6,170, communicating a letter from the Government of India inquiring whether the supply of special adhesive stamps of one Anna need not be discontinued for the future, I have the honor to state that special adhesive stamps should still be provided for the denoting of one Anna stamps on instruments presented for stamping in this Office, the one Anna revenue adhesive being expressly intended for instruments under Section 5, Clause (a), of the General Stamp Act.

Vide despatch from Government of India, dated 15th March 1870, No. 1,747, recorded in G. O. of 21st April 1870, No. 551.

2. In the case of bills of exchange drawn in sets, each of the set requiring a one Anna stamp (of which there is a considerable quantity stamped in this Office), the substitution of revenue adhesive stamps for special and adhesive stamps, which are now affixed at this Office and obliterated by a bicolor date-stamp, appears to me open to objection and likely to result in the evasion of the stamp revenue, as these bills might be drawn singly with the understanding that the rest of the set would be delivered in the event of any miscarriage.

3. It is not of infrequent occurrence in this Office that parts of sets of bills are presented to be stamped; but the Superintendent, as the Board are aware, is warranted in refusing to stamp otherwise than as single bills any bills purporting to be parts of a set unless the whole sets are produced together and the number of each set is expressed on the face thereof, the whole sets are then produced and stamped.

Vide Proceedings of the Board, No. 1,092, of 13th March 1871.

4. I am, therefore, strongly of opinion that the use of the one Anna special adhesive stamps is very necessary for the better security of the stamp revenue, and should deprecate the discontinuance of the supply and the substitution of the one Anna revenue adhesive stamps.

SUBMITTED to Government with reference to G. O., 25th August 1874, No. 1,031.

2. The Board concur with the Superintendent of Stamps.
