Proceedings of the Madras Government, Revenue Department,
14th October 1874.

No. 156. Read the following Proceedings of the Board of Revenue, dated 8th October 1874, No. 2,935:—

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Coimbatore, 3rd August 1874, No. 178:—

THE Board having approved of the revised scale of the Bhowany Forest Establishment in their Proceedings, No. 90/1,667, of 2nd July 1874, and as the season for floating operations has arrived, on the urgent solicitation of the Deputy-Conservator I have sanctioned the appointment of a Sub-Overseer on Rs. 30+10, to be posted at Erode to receive wood floated down from Nerinjipett and get it sawn and supplied to the railway; without which arrangement the floating operations would have had to be deferred. I trust the Board will approve of this arrangement which does not involve any extra expense, as the second forester in the range is an acting incumbent and draws only Rs. 40.

SUBMITTED for the approval of Government in continuation of the Board's Proceedings, dated 28th August 1874, No. 2,425/145.
