Proceedings of the Madras Government, Revenue Department,
20th October 1874.

No. 261. Read the following Endorsement of the Secretary to Government, Public Works Department, dated Ootacamund, 19th October 1874 :—

Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Pogalore, 28th September 1874, No. 2,745.

ADVERTING to your memorandum, No. 578, under date the 3rd ultimo, I have the honor to forward herewith copy of a letter from the Collector of Madura, No. 1,547, of the 11th instant, stating definitely what offices should be constructed at Shevagungah, Tiruvadani, and Chinnamanur, and to state that the necessary estimates for these and other offices mentioned in the list printed with G. O., No. 1,691, 24th June 1874, will be submitted for sanction in the order specified in the list abovementioned.

1 copy of Collector's letter, No. 1,547, dated 11th September 1874.

2. As Government, in their order, No. 118, of the 19th January 1874, have authorised the construction of a new Deputy-Tahsildar's cutcherry and sub-jail at Oothamapoliem instead of at Chinnamanur, an estimate for the same will be prepared accordingly.

3. In reference to paragraph 2 of the Proceedings of the Board of Revenue, dated 3rd March 1874, printed with G. O., No. 1,691, above quoted, the Collector, in his letter, No. 1,406, of the 26th August 1874, has intimated to me that the Board of Revenue, in their Proceedings, dated 8th idem, No. 2,162, concurred with him that the Head Assistant Collector's office should be built in the middle of his division, viz., at Mana-Madura instead of at Ramnad. The estimate will be submitted on receipt of the standard design for the Head Assistant Collector's office referred to in G. O., No. 44, of the 5th August 1874.

4. With regard to the office for the Salt Deputy-Collector, a design will be prepared in conformity with the details of accommodation specified in paragraph 5 of the Collector's letter mentioned in paragraph 1 of this letter.

TRANSFERRED to the Revenue Department, with remark that the subject has evidently not been taken up by the local officers systematically or with distinct concurrence of the Revenue Board in their proposals; so that these cannot be disposed of in the Public Works Department, and much unnecessary trouble in preparation of plans and estimates is likely to ensue for want of preliminaries being clearly settled.
