Proceedings of the Board of Revenue
dated 20th May 1874

Read Proceedings of the
Madras Government, Revenue De-
partment dated 6th May 1874 No 558
passing orders on report of Mr.
Baumbury, Second Member of the
Board of Revenue, on the condition
of the South Arcot District.

1. Forwarded to the
Collector for report upon the points
noticed in paras of the Govern-
ment Order. It should be stated
upon what date the Tahsildars
of Villapuram and Tiruvannam
framed their estimates of the
amount

amount recommended to be foregone, and how many villages they 'asymished' either before or after recommending the concessions. The procedure generally adopted throughout the District in granting remissions, and in securing the Government interests against undue and unnecessary loss should be reported. The Board are under the impression, that orders were issued during Mr. Read's time which placed nearly all the responsibility in the hands of the village Officers, and this point should be noticed.

2. The fortnightly return must be submitted as ordered by Government, but the Board trust that owing to the recent rains they will soon be able to recommend its

discontinuance.

3. (As soon as the Collector can conveniently do so, he should submit a statement showing what the concessions have really amounted to, in each Talook as compared with the 2nd Member's estimates. The percentage of remission given in each Talook on the 'dry and wet' Beriz, should also be separately shown.
