Adoni Talug Vengalapur	Personal Inam of Baladon Jaghirdar Syed Mahommed Noossein Sahib & Hyder Sahib's wife Patualhi —		23-7-0	35-7-0	4-8-0	31-1-0	7-5-0	11-4-0						1-6-6	3-1-6	750.	750.		This land is required for the erection of a new Talug Cutcherry at Adoni.

Inamdar was at first unwilling to part with less than the whole extent of his Inam at 100 Rupees an acre, but before the Acting Sub Collector Mr. Crosthwaite, he agreed to give up the required portion at that rate. He has had an offer of 300 Rupees for a small piece (2 Acres) of what is required for the Cutcherry, but he would be glad to meet the wishes of Government provided he can get that rate.

The District Engineer, on being asked, states that an Estimate for the Cutcherry is under preparation. The necessary provision on account of compensation for land required will be made in the Estimate. No allotment for the said work has been sanctioned in the Current Year's Provincial Budget. It will therefore be necessary to ask for a specific grant in the application to be made on the subject. He agrees that it is important to secure the land without delay even though the construction of the Cutcherry be delayed to another year.
