Proceedings of the Madras Government, Public Works Department, 9th May 1874.

No. 217. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 24th April 1874, No. 247 :—

From W. S. WHITESIDE, Esq., Collector of North Arcot, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Palmanair, 16th April 1874, No. 21.

In continuation of my letter No. 17, dated 16th ultimo, I have the honour to inform you that it appears from a report of the Deputy Tahsildar of Narainavaram, since received, that the land required by the Railway Company, as per Register herewith sent, was originally taken up under Class B, but afterwards relinquished by them. The land in question, therefore, belongs to Government and not to the Zemindar of Karvetnugger; compensation is therefore not needed for the land. The Railway Company, however, have to pay an annual assessment of Rupees 2-7-9 to Government for the land measuring Acre 0-49.

2. The two bills, dated 26th ultimo, for the amount of compensation of Rupees 139-6-0 passed by the Controller of Public Works Accounts are herewith returned.

3. The Deputy Tahsildar of Narainavaram has been directed to make over the land in question at once to the Railway Company.

Submitted for the information of Government, in continuation of my letter No. 178, dated 23rd March 1874.

2. The compensation sanctioned in the Order of Government No. 968, dated 14th April 1874, may therefore be cancelled.

3. The audited bills forwarded by the Collector have been returned to the Controller of Public Works Accounts, with a request that they may be cancelled.
