Proceedings of the Madras Government

Revenue Department.

No. 43. Read the following despatch from the
of State for India :—

Separate Revenue,

No. 4.

Sir,—The despatch of your Excellency in Council of 1875, forwarding a report by the Hon. Mr. A. Dalrymple upon the abkari system of the Madras Presidency, has been considered by the Council.

2. The Hon. Mr. Dalrymple's report is a very complete and interesting document. It has been carefully reviewed by the Board of Revenue and by your Excellency in Council.

3. I fully approve of the more general papers the experimental excise system, and the Government has acted rightly in determining on the system from that of Toddy.

4. I am not of opinion that a special appointment of a special officer for the superintendence might form the particular case, and, under his directions, the Collectors will be enabled to make of the abkari revenues a prominent branch, and to give it their most careful attention.

5. The other orders contained in the despatch are approved.
