Not to be folded or roughly handled

No. 83. Read the following letter from D. BUICK, Esq., Acting Collector of Malabar, to A. MACGREGOR, Esq., Acting Secretary to Government, Revenue Department, dated Calicut, 28th May 1875, No. 38:—

I HAVE the honor to acknowledge the receipt of petition No. 978 of 1875 (here-with returned) from Paloli Eddathil Kunjunni Valiya Nambiyar, of Karyad Amshom, Kottayom Taluq, forwarded for report, and have now to inform you of the circumstances under which the payment of Malikhana to the family he represents has been held in abeyance.

2. The Malikhana annually allowed to the Paloli Eddam family is Rs. 1,449-4-0, paid quarterly. The present head of the family is the petitioner, Kunjunni Valiya Nambiyar, and the Malikhana has hitherto been disbursed on his receipts. The other members of the Tarwad, however, have succeeded in removing him from the Karnavan-ship by decree of the Civil Court of Tellicherry, confirmed, on appeal, by the High Court. The present senior Anandravan Kunhi Krishnar Nambiyar, in whom the management of the Tarwad affairs vests when the Karnavan is set aside, is also objected to by the junior members of the Tarwad. A suit filed by the latter to set him also aside has been dismissed by the Court of first instance, but an appeal, I believe, is about to be made in order that his incapacity to manage the family affairs may be established.

3. The first step taken in the matter of the Malikhana was in September 1873, when twelve members of the family applied by petition to the Collector, praying that it might be retained in deposit pending the termination of the family litigation. This petition was referred to the Sub-Collector for report, and Mr. Logan, in reply, reported as regards the deposed head of the family (the present petitioner Kunjunni Nambiyar): "Some of the family are in his favor and some against him, which shows pretty clearly that he favors his own Tavay to the loss of the other branches;" and further "a considerable section of the family seems to be satisfied with the way he spends the allowance."

4. On this letter and the petitions connected with it, the then Collector Mr. Macgregor, passed the following order:—"Seeing that seventeen out of twenty-four protest against the Malikhana being given to the head of the house, and that the said individual has been deposed from the position of Karnavan by a decree of Court, confirmed by the High Court, on the ground of dissipation, I do not consider we are justified in any longer disbursing the money to him.

"It will, therefore, be held in deposit unless the family can agree on some man to receive it.

"It appears that a suit against the new Karnavan is pending."

5. This is how the case now stands. The Malikhana has not been paid since July 1874. The present Karnavan of the Tarwad has petitioned me to disburse the arrears to him, while the opposing members have requested me to continue the

retention of the Malikhana in deposit. I trust, therefore, I may be informed of the principle on which such applications should be disposed of,—whether the Malikhana is payable to the head of the family receiving it as such, or whether it should be paid according to the expressed wish of the majority of the members.

ENCLOSURE No. 1.

The humble Petition of PALOLI EDDATHIL KUNJUNNI VALIYA NAMBIYAR, of Kariyad Amshom and Deshom of Kottayom Taluq, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Tellicherry, 10th April 1875.

SHEWETH,—

That petitioner is one of the stipendiaries of Malabar.

2. That the Treaty allowance, which, as senior member of the family, petitioner was receiving, under G. O., dated 23rd March 1859, he regrets the Collector has, for reasons not communicated to him, stopped from July last.

3. That he applied to the Collector by petitions, dated 20th September 1874 and 23rd February 1875, for the payment as usual of his stipends, but regrets that he has not even favored him with a reply.

Copies submitted.

4. That when the assignment was on a former occasion similarly stopped, the then Acting Collector, Mr. W. Robinson, was good enough to restore it to him.

5. That if the stoppage this time of the allowance by the Collector be without the previous approval of Government, petitioner would submit, for their consideration, whether the Collector has exceeded his power, the G. O., dated 23rd March 1859, which recognizes petitioner as the senior member of the family, being a *standing order*, and that whether the stoppage was not a contravention of the Treaty made between Government and petitioner's great karnavan.

6. That the unexpected and sudden manner the stipend was stopped, and the long interval of silence, without even a reply to his petitions, petitioner regrets, have thrown him and the large family depending on him into great misery, having not even the means to pay for medical advice when he is sick.

7. That, under the Treaty entered into with them, when petitioner's karnavan made over his country to Government, he did not contemplate for his future successors the misery and shame, petitioner, in the evening of his life, is exposed to by the suspension of his allowance.

8. That, under these painful circumstances, petitioner would humbly but earnestly pray that Government will deign, in consideration of the distress petitioner and his large family are undergoing, to direct the payment forthwith to him as heretofore of the stipend stopped by the Collector, pending their final order on the subject, or to take such other steps as may lead to a speedy settlement of the question, one way or the other, for which act of kindness and justice petitioner shall, as in duty bound, ever pray.

No. 84. ORDER THEREON, 7th July 1875, No. 1,024.

Miscellaneous.

PETITIONER having been deposed from the position of Manager of the family property on the ground that he was committing waste, the Government cannot admit him as a proper recipient of the Malikhana to shares in which all have claim.

*Proceedings of the Madras Government, Revenue Department,
2nd July 1875.*

2. The Collector should endeavour to arrange with the other members the share to which petitioner is individually entitled, and pay it to him direct, the remainder being paid to such individual as the other members may place confidence in.

Acting Secretary to Government.

Mulliken has by *The Public Meeting Society as the Mother Church*—leading to a practical illustration of Benjamin Yule Mulligan's proposal of the —, and dividing the Capital to arrange with the other members the share to which the publisher is individually entitled, and paid to him first, the remainder being paid to each individual as the other receives any place over \$1000.

succeeded in removing him from the Karmavanship by decree of the Civil Court of Jellicherry, confirmed on appeal by the High Court. The present senior Anandavan, Kunhi Krishnan Nambiyar, in whom the management of the Tarwad affairs vests when the Karmavan is set aside, is also objected to by the junior members of the Tarwad. A suit filed by the latter to set him also aside has been dismissed by the Court of first instance, but an appeal, I believe, is about to be made in order that his incapacity to manage the family affairs may be established.

3. The first step taken in the matter of the Malikhana was in September 1873 when twelve members of the family applied by petition to the Collector, praying that it might be retained in deposit pending the termination of the family litigation. This Petition was referred to

4. On this letter and the petitions connected with it, the then Collector as Mr MacGregor passed the following order:- "Seeing that 17 out of 24 protest against the Malikhana being given to the Head of the House, and that the said individual has been deposed from the position of Karmavan by a decree of Court, confirmed by the High Court on the ground of dissipation, I do not consider we are justified in any longer disbursing

It will therefore be held in deposit unless the family can agree on some man to receive it.

It appears that a suit against the new Kamavani is pending.

5. This is how the case now stands. The Malikhana has not been paid since July 1874. The present Kamavani of the Jarwad has petitioned me to disburse the arrears to him, while the opposing members have requested me to continue the retention of the Malikhana in deposit. I trust, therefore, I may be informed of the principle on which such applications should be disposed of, whether the Malikhana is payable to the Head of the family receiving it as such, or whether it should be paid according to
