No. 87. Read the following Proceedings of the Board of Revenue, dated 19th June 1875, Miscellaneous No. 5,532 :—

Read the following letter from W. LOGAN, Esq., Acting Collector of Malabar, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 9th June 1875, No. 188.

THE Board are doubtless already aware that the Huzur Sheristadar of this district, Krishna Pattar, died on the 7th of last month under circumstances that warranted the suspicion that he had been poisoned. I extremely regret to have to inform the Board that such facts have come out on inquiry as to justify the committal of the deceased's only son as an abettor, if not an active participant, in the crime. It would be out of place for me here to comment on the facts, as the son and the deceased's cook are at the present moment on their trial before the Sessions Court. I shall, in due course, report, through the Board, to Government the result of the trial. I shall only here add that the progress of the case through Court will be most carefully watched as it deserves to be.

2. The loss of such a man to the district is incalculable; he had raised himself by extraordinary practical ability, and, at the same time, by singular honesty of conduct to his high position. He enjoyed the confidence not only of those officers under whom he immediately served, but of all persons, Europeans or Native, with whom his official duties brought him in contact; and it is not too much to say that every one who knew his social qualities is mourning for him as for a dear friend.

3. The subject of appointing his successor has occupied my thoughts for some time, and I have finally resolved to recommend, for the Board's sanction, the appointment of M. Kunhi Raman Vydhiar, the present Tahsildar of Kurambranad. He has a long and most meritorious service as Tahsildar to recommend him. He, like the late Krishna Pattar, has no knowledge of English, but that I consider a minor disadvantage in a man on whose integrity I can, from long personal knowledge, thoroughly rely, and whose revenue experience of all parts of the district will be of the greatest use to me. He has passed no tests, as he has been in the grade of Tahsildar since 1857; and I trust that the Board will, as they did in Krishna Pattar's case (G.O., Revenue Department, No. 76, dated 17th January 1874), recommend the Government to exempt him from passing. Mr. Macgregor's remarks regarding his selection of Krishna Pattar recorded in the Government Order above quoted apply with equal force in the case of Kunhi Raman Vydhiar.

4. I shall again shortly address the Board as to the best arrangement to be made in filling up the vacancy among the Tahsildars.

THE Board resolve to submit Mr. Logan's request that Kunhi Raman Vydhiar may be exempted from the Special Tests, in view to his being appointed Huzur Sheristadar of Malabar, for the favorable consideration of Government.

2. The circumstances of the district make selection for such a post difficult, and proved fitness, to the existence of which the Acting Collector testifies in the present case, should outweigh mere examination tests.

Miscellaneous.

SANCTION is accorded to exemption from passing the Special Tests in favor of Kunhi Raman Vydhiar, in view to his appointment as Huzur Sheristadar.

2. His Excellency the Governor in Council takes this opportunity of recording his sense of the loss sustained by the Public Service owing to the death of Krishna Pattar, to whose exceptional ability and integrity such general testimony is borne; the natural regret that his loss causes is enhanced by a consideration of the peculiar circumstances under which his useful career has been cut short.
