Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 14th June 1875, No. 336:—

REFERRING to Board's Proceedings of the 1st April, No. 786, I have the honor to state that, so far as the sub-division is concerned, no change appears necessary.

2. The Board are aware that out of the three taluqs now constituting the principal division, Mr. Barlow proposed in his No. 22, dated 19th March last, to Government that Sydapet and Ponnery should be constituted the charge of the General Deputy Collector, and that the Collector himself should have charge of Trivellore, and in my No. 223, of the 5th instant, I recommended that Peralore should be made the head quarters of the General Deputy, that being more central for his charge than Sydapet itself.

3. I enclose a statement showing the area, revenue, and population of each of these divisions, and a map showing the different divisions with the head quarters.

4. As regards paragraph 2 of the Proceedings, I enclose copy of a letter and two statements, received from Special Deputy Collector Vencatesiah, showing the work already completed and that still remaining to be done in connection with the compensation claims for lands taken up for the South Indian Railway and the ~~Chingleput~~ Projects, and, I would add, there are also a few more cases requiring disposal in connection with Madras Water Works Project and the improvement of the Nemum Tank.

5. The submission of this statement has been delayed owing to the difficulty of obtaining the services of a draughtsman, no one in this office being competent to trace a map.
