*Proceedings of the Madras Government, Revenue Department,  
13th July 1875.*

No. 143. Read the following Proceedings of the Board of Revenue, dated 1st July 1875, Miscellaneous No. 5,941:—

Read the letter from J. H. GARSTIN Esq., Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 25th June 1875, No. 267.

I REGRET to have to report that cholera has made its appearance at Chedambaram, Mannargudi, in the neighbourhood of Virdachellam, and in Cuddalore.

2. I have already given instructions to the Tahsildar of Chedambaram to adopt every precautionary measure to prevent the spread of the epidemic.

3. I herein enclose extracts from two reports (demi-official) from the Acting Sub-Collector.

4. Every precaution has been taken by the Zillah Surgeon to prevent the spread of the disease in the limits of this Municipality. There have been only one or two cases as yet, and none of those of a virulent type within those limits.

5. At Chedambaram the cases have been rather more numerous.

6. The weather is very dry, and good drinking-water is scarce in some parts. I trust that, if we have a fall of rain soon, the disease will disappear.

SUBMITTED for the information of Government.

2. The Board presume that the Collector has given intimation of the outbreak to the Collectors of the neighbouring districts.
