Read the following Proceedings of the Madras Government, dated 12th March 1875, No. 406, Revenue Department:—

ABSTRACT.—*Poligar Pension of late N. Raghavaraze in the Cuddapah District.*—
Requesting the Board to report, with reference to their recommendation for the confirmation of their sanction for the continuance of the—to his widow, on the merits of the case to show that the allowance is strictly hereditary.

THE Board observe that the allowance in question is one of the class called Poligar pensions granted in 1801, on the assumption of the Ceded Districts by the British Government, in lieu of resumed lands, offices and privileges. It is entered as No. 52 in Register X. prepared in 1814 by Mr. Ross, Collector of Cuddapah. The grants entered in this register are described as hereditary to lineal descendants and they have hitherto been treated as such. The original grantee, Nandiala Venkatapatiraze was a relative of the Rajah of Chitwel. On his death the grant was continued to his son Raghavaraze *alias* Anantaraze, on the ground of its being hereditary as reported in the Board's letter to Government, dated 4th February 1822, No. 239. This Raghavaraze is the person whose death is reported in Board's Proceedings, dated 11th February 1875, No. 309.
