*Proceedings of the Madras Government, Revenue Department,
16th July 1875.*

No. 175. Read the following letter from R. H. HOLLINGBERRY, Esq., Assistant Secretary to the Government of India, Financial Department, (Separate Revenue—Stamps,) to the Chief Secretary to the Government of Madras, dated Simla, 29th June 1875, No. 1,643:—

In paragraph 11 of the letter from this department, No. 1,817, dated 16th March 1870, it was prescribed that registers of fees paid by stamps should be kept in each Court distinguishing process fees under Chapter IV. of the Court Fees Act from other fees paid under Schedules I. and II. It was, also, directed by Financial Notification, No. 2,923, dated 25th August 1870, that these registers need not be kept in great detail.

2. The register of process fees is essentially necessary for regulating process serving establishments.

3. A question has arisen as to the expediency of continuing to keep up the register of fees levied under Schedules I. and II., and I am accordingly to request that, with the permission of His Excellency the Governor in Council, you will be good enough to favor the Government of India with an opinion on the subject.

4. His Excellency the Governor-General in Council is inclined to think that these registers are the best means of ascertaining the net cost of each Court, and that they afford valuable statistical information, and should, therefore, be continued if their compilation does not involve labor disproportionate to their value.
