17th July 1875.*

No. 189. Read the following Endorsement of the Secretary to the Government of India, Financial Department, dated Simla, 28th June 1875, No. 1,651 :—

Read the following :—

Extract from a Financial Despatch from the Secretary of State for India, to the Government of India, dated 6th May 1875, No. 234.

PARAGRAPH 3.—In the Indent above alluded to, the drugs are demanded in pounds, ounces, and occasionally in fractions of ounces. I am informed that it is not the custom of the trade to supply broken quantities for exportation; and the omission of the fractions materially simplifies the execution of the orders. I have, therefore, to request that, except in the case of any very expensive drugs, the demands may, for the future, be made either in full pounds or in full ounces as the case may be.

Copy of the above forwarded to the Military Department and the Governments of Bengal, Bombay, and Madras.
