*Proceedings of the Madras Government, Revenue Department,
19th July 1875.*

No. 196. Read the following letter from R. B. CHAPMAN, Esq., Secretary to the Government of India, Financial Department, to the Secretary to the Government of Fort St. George, dated Simla, 18th May 1875, No. 799:—

In reply to your No. 337, dated 2nd March, to the Secretary in the Revenue Department, I am directed to say that the Governor-General in Council approves of the refund to the Travancore and Cochin Sirkars of the duty of Rs. 1-13-0 per maund paid in Bombay on salt exported under contract with these Sirkars.

2. It is not, however, quite clear what is meant by "crediting the subsidy" with the amount, seeing that the subsidy must always be credited in full without reference to this payment.

3. The refund of duty will be covered by a transfer of funds from the Government of Bombay, which will be instructed to credit to the Government of Madras for the purpose the whole of the duty already levied or hereafter to be levied on salt exported on account of the Travancore and Cochin Sirkars.

4. In the same way the analogous duty to be refunded to contractors with the Government of Madras will be covered by a transfer to the Government of Madras by that of Bombay of the duty already levied or hereafter to be levied there on salt exported under contract with the Government of Madras.

5. A separate letter will be addressed to you hereafter regarding the claim on behalf of the Travancore and Cochin Sirkars in excess of the duty, the refund of which is hereby approved.

Copy to the Government of Bombay, the Accountants-General, Bombay and Madras, and the Comptroller-General. The duty to which this letter refers must be treated at Bombay not as Salt Revenue but as deposits repayable in the Madras Presidency to those entitled to receive the refund, and the Comptroller-General will be good enough to issue such subsidiary instructions as may be necessary to secure this object.

Copy, also, to Revenue Department.

COMMUNICATED to the Board of Revenue and the Resident in Travancore and Cochin.

2. With reference to paragraph 2 of the foregoing letter the Government of India will be informed that all that was intended was that the amount should be adjusted in the payment of the subsidy as was formerly done in the case of the allowance on account of wastage.
