*Proceedings of the Madras Government, Revenue Department,
20th July 1875.*

No. 214. From A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Statistics,) to A. MACGREGOR, Esq., Acting Secretary to the Government of Madras, Revenue Department, dated Simla, 6th July 1875, No. 355.

REFERRING to the Resolution in this department, No. 66-69C, dated the 9th April last, I am directed to bring to the notice of His Excellency the Governor in Council that the Trade and Navigation Returns for the month of April have not yet been received.

2. In paragraph 20 of the Resolution above quoted, it was requested that the returns might be despatched to this department within one month after the last day of the month to which they refer; and the returns for April are, therefore, now more than one month over-due. His Excellency in Council attaches great importance to the prompt publication of the monthly consolidated accounts of the Government of India; and he much regrets that this has been rendered impossible in the case of those for the first month of the current year by the nonsubmission of some of the local returns.

3. I am to request that the returns for April may now be submitted with the least possible delay, and to beg that His Excellency in Council may be moved to take such measures as will preclude the possibility of similar delay in the submission of the returns for succeeding months.

Acting Secretary to Government.
