From Colonel G. W. Walker R.E.
Secretary to G^o P. W. Dep^t.

To The Chief Commissioner
Central Provinces.

Sir,

In forwarding herewith a copy
of the Proceedings of the Madras Govern-
ment under date the 18th June 1873, No 158,
upon a report submitted by the Inspecting
Engineer for Ports and Communications per-
garding the operations which are either
in progress or proposed for opening out a
communication between Jeypore and the
coast, I am directed to invite attention to
the expediency of measures being adopted
for perfecting the link between Rajpootana
and the Jeypore frontier a distance
of

of about 80 miles required to complete
a first class line of communication be-
tween the Central Provinces and the
Seaports of Diu, Pipatam and Vizagapa-
tam.

Proceedings of the Madras Government, Public Works Department,
1st September 1873.

No. 32. Read the following letter from T. W. ARMSTRONG, Esq., Officiat-
ing Secretary to the Chief Commissioner, Central Provinces, Public
Works Department, to Colonel G. W. WALKER, R.E., Secretary to
the Government of Fort St. George, Public Works Department, dated
Nagpore, 7th August 1873, No. 4,158:—

I AM desired by the Chief Commissioner, in reply to your letter No. 8, dated
1st July last, to say that he is quite alive to the advantage of perfecting the
communication between Raipur and the coast, but the Provincial funds are very
limited, and are at present employed in works in progress, the maintenance of
completed undertakings, metalled roads, etc., and it is feared that for some time
to come funds for such projects as are noted in the letter under reply will not be
available; as soon however as funds are available the works noted will be taken
in hand.

No. 33. ORDER THEREON, 1st September 1873, No. 2,182.

CIVIL WORKS, No. 1.

ORDERED to be recorded.

To

THE CHIEF COMMISSIONER, CENTRAL PROVINCES.

CIVIL WORKS, No. 9.

SIR,—In your Secretary's letter, No. 4,158, of 7th August 1873, you were stated to be quite alive to the advantage

of perfecting the communication between Raepore and the Coast, and that work would be undertaken as soon as funds become available on the line of communication to Jeypore leading towards the new Potinghy Ghaut and Vizagapatam District.

2. I am now directed by the Honorable the Governor in Council to commend to your attention another line of communication to the coast of Ganjam, which is also considered by the Madras Government to be very important as a salt road. It is one which running through Patna and Mohungiri shall meet at the Kalahundy and Chinna Kimedy frontier the system of roads now being opened up through the Ganjam Maliahs down to the Coast.

3. The Honorable the Governor in Council will be very glad to hear that it may be in your power at no distant period to co-operate effectually in opening up these communications so necessary to the welfare of the country in every point of view.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) G. W. WALKER, Colonel, R.E.,

Secretary to Government.
