No. 246. Read the following despatch from the Right Honorable the Secretary  
of State for India :—

Revenue,  
No. 18.

INDIA OFFICE, LONDON,  
17th June 1875.

SIR,—The despatch of your Excellency in Council, dated 29th April, No. 5 of 1875, forwarding a report by Mr. Puckle, the Collector of Tinnevely, relative to the sale of waste lands under the Streevayagundum Anicut and the employment of the proceeds in the construction of useful public works for the cultivation of those lands, has been considered by me in Council.

2. I concur with your Excellency in Council in considering the progress which has been made under the arrangements recently sanctioned as highly satisfactory. Works have been constructed at a cost of a little more than Rs. 61,000 derived from the premia on the sale of lands, and it is confidently expected in at most two years the lands irrigated through these works will produce a return of Rs. 8,878 per annum.

I have, &c.,
