2/1113

To

The Right Honble the
Secretary of State for India.

My Lord Marquis.

We have the honor to transmit herewith a further Memorial from P. C. Vijiaraghava Charry on the subject of his dismissal from the Revenue Survey Department.

2. Memorialist's case was fully reported on in our letter to your Lordship's predecessor Despatch A dated 29: February, No 6 of 1872; and in his reply dated 25: April 1872 No 15, his Grace the Duke of Argyll was pleased to inform us that, under all the circumstances stated, he must decline to interfere in favor of the Memorialist.

3. The only further feature

I do not think that there is any sufficient reason for forwarding this 2nd memorial Col. Priestley's inconsistent conduct does not materially alter the case.

feature in Memorialist's case, is, that the Head of the Survey Department, on an application meantime from the Memorialist, was induced to hold out to him the prospect of re-appointment in the Department, which prospect Col: Priestley felt it his duty, on re-consideration of all the circumstances of the case, to withdraw in the public interest.

4. A copy of Colonel Priestley's report, dated 12th Dec: 1872 No. $\frac{2757}{74}$, is herewith submitted for your Lordship's information.
