No. 265. Read the following Proceedings of the Board of Revenue, dated 3rd July 1875, Miscellaneous No. 6,007 :—

Read the following letter from H. NEWMAN, Esq., Acting Collector of the Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 16th June 1875, No. 797.

WITH regard to the information called for in Proceedings, No. 881, dated 10th April, as to the progress made by me in compiling a Manual of the district, I have the honor to state that, in the absence of any leisure whatever which could be devoted to the purpose, the progress made has been very small, and consists only of the collection of materials for the work. Some gentlemen have promised their aid on different portions, but, as to myself, I have found it absolutely impossible to devote time to the purpose.

2. This having been the case last year and this, I do not care to make a promise to complete a Manual at any specified time; for I have no reason to suppose that time can be more easily set apart next year. The records of this district are very voluminous, and a really adequate acquaintance with them can only be acquired by setting apart a considerable time wholly to the purpose. I will undertake to have the printed form required by Dr. Hunter filled up and forwarded in advance, but the pressure of business prevents me from fixing a time for the completion of the Manual itself; nor am I able to suggest any way of getting it rapidly done.
