Proceedings of the Madras Government, Revenue Department,
27th July 1875.

No. 267. Read the following Proceedings of the Board of Revenue, dated 17th June 1875, No. 1,659 :—

In March 1873 the Board were desired by Government to submit a list of the District Postal Stations and of the establishments employed at each station.

G.O., dated 4th March 1873, No. 288.

Collectors were accordingly called upon to report, and information has been received from all districts; but owing to the numerous changes which have since taken place in regard to stations, routes, and establishments, further information has become necessary for the correct preparation of the list. Before calling for it, however, the Board beg to inquire whether the list cannot be dispensed with now that Collectors are competent to introduce changes when they do not involve additional cost to the State; such changes will consequently be of frequent occurrence, and the list will require constant revision to render it of any value.

G.O., dated 8th May 1874, No. 570.
