No. 298. Read the following Proceedings of the Board of Revenue, dated 5th July 1875, Miscellaneous No. 6,062:—

Read the following letter from J. D. B. GRIBBLE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 24th June 1875, No. 135.

I HAVE the honor to forward, for the information of the Board of Revenue, translation of a return received from the village of Nidujuvi, in Prodatore Taluq, of this district.

2. It appears from the report that on the 14th and 18th instant three persons were attacked by cholera and died of the effects of the same on the same day. No more cases of the sort have been reported up to the date from the said village or from any surrounding village. Steps have been taken to ascertain whether this is really cholera or not, and I have directed the Tahsildar to report the occurrence to the Commanding Officers of Military Forces at Madras and Bangalore.

3. A further report will be sent if any other cases occur.
